Jason,

Please consider this email confirmation that we would like to proceed with the full license as agreed in the attached.

Yes, please feel free to reach out to Harold, but please copy me as I'd like to join the call as well.

Thanks,

Carl

**Subject:** Executing the Full PRM License

Good Morning Carl,

I wanted to follow-up on our discussion a couple of weeks ago regarding converting the trial license to a full contact. At this point all we need is written (or e-mail) confirmation from you that you would like to proceed with the full license in order to move forward.

Additionally, we are working on a redesign of our user interface and are looking for some client input to help shape the new design. I noticed that Harold Ruiz has been a frequent user of the report and was interested in hearing his feedback on the proposed changes. Would it be okay if I reach out to him schedule some time for our user experience team to discuss their ideas with him?

Thank you,
